Are you a dynamic, results-driven professional who thrives in a fast-paced, high-pressure environment? Do you love the buzz of working on tight timescales and ensuring everything runs like clockwork? If so, this is your opportunity to join a rapidly growing company and take on a key role that will push your skills and expertise to the next level.

We are on the lookout for an experienced Procurement & Inventory Manager to manage our stores and warehouse operations, overseeing the seamless flow of stock, inventory, and container packing. This is a unique role that has been created due to the exciting growth within the company, and we're looking for someone who can step up to the challenge with passion, energy, and drive.

What's the Role All About?

As our Procurement & Inventory Manager you'll play a pivotal role in ensuring that our purchasing operations, warehouse, and stores run efficiently and effectively. This is a fast-paced role where you'll need to think on your feet, manage priorities, and always keep one step ahead to meet our tight deadlines. You'll be managing the full purchasing process, maintaining stock levels, overseeing our warehouse operations, and ensuring key assets are packed and deployed on time, every time.

Why Join Us?

This is more than just a job; it's a fantastic opportunity to take on a key role in a growing company that's on the move! You'll be at the heart of our operations, helping to shape the future of our purchasing, stores, and warehouse functions. The challenge is real, but the rewards are worth it. You'll be part of a supportive and driven team where every day brings something new and exciting!

If you're ready to take on a fabulous challenge and make a real impact, we'd love to hear from you. Apply now and be part of something special as we continue to grow!
